

### **How to Remember the Difference**

If you are having a hard time keeping track of excel and excell, don't worry. It is easy to keep them apart and make sure you are using the right word.

You can think of the extra L at the end of excell as lame (as in wrong). This will help you remember that this is the wrong spelling of the word, and you should not use it. If Excell is someone's last name, then this spelling is correct, but that is the only instance it will be correct.

### **Summary**

It can be extremely difficult to make sure you are spelling words properly. While excell seems like it should be a proper word, it is actually a common misspelling of the word excel. The only time Excell is correct is when it is being used as someone's last name.
